**WHAT'S NEW?**

## Time to INVENT Club

Introducing Time to INVENT Club! Our new club based on the PBS Kids Club uses fun invention challenges to spark kids' interests in Science, Technology, Engineering, and Mathematics (STEM). It is geared for 2<sup>nd</sup> to 5<sup>th</sup> graders and meets monthly at CPL. The first meeting is Wednesday, January 13<sup>th</sup> from 3:30 pm to 4:30 pm. Kids will learn how the design process helps them with creative problem solving and what inventing is all about. The goal is to engage children's sense of curiosity and wonder, so they can become the inventors of tomorrow. Trophy towers, ball launchers, and convenient carriers are just some of the exciting inventions planned by Mrs. Kathy Gifford, CPL Youth Services Assistant and certified elementary teacher. Registration is required for this program. Please register online or call 262-375-7640, ext. 110.

## CPL Adult Book Club - Jan 18

The next CPL Adult Book Club meeting is Monday, January 18<sup>th</sup> from 6:30 pm to 7:45 pm in the Community Room. The book discussion will begin with a 20-minute Skype chat with the author. Discussion will be led by Adult Services Librarian Emily Laws. Please register using our online event calendar or call 262-375-7640, ext. 200.
