June 1 - July 31,
2026

This summer, get ready to grow for a season of stories with our "Plant a Seed" reading program!

Set your own reading goals and watch your imagination grow as each book helps you sprout new ideas, dig up hidden treasures, and branch out into new worlds.

The library is your garden, full of stories ready to bloom, and the more you read, the more you grow.

Are you ready to plant your seed and see where your reading takes you? Watch your imagination grow wild!

Start Your Crop!

1. Set your reading goal for June.
2. Keep track of your goal by marking it on the calendar.

At the end of June, bring your calendar to the Youth Services Desk to earn:

• Free
Coupons

• Your 1st entry
Ticket for the
Grand Prize
Drawing

• Add a leaf
to library
beanstalk
