

## “Winter is coming...”

Ok, so it won't be as cold as Winterfell in Game of Thrones, but you can definitely feel a chill in the air! Whether you celebrate Christmas, Hanukah, Kwanza or any other holiday, winter is certainly a magical time for all! We have some exciting events planned for you guys these next few months!

## Teen Advisory Board (TAB)

**No registration required — stop by!**

TAB is a group just for teens in grades 6 - 12. It is a way to have your voice heard in the community! At the meetings, discuss favorite books, movies, games and Fandoms (and eat snacks!) Share with us what teen programs or events you would like to see at the library. TAB membership looks great on college applications and resumes. Meeting locations alternate between Cedarburg and Grafton Libraries.
