## WHAT'S NEW?

### Summer Reading Kick-Off!

"Libraries Rock!" is the theme of this year's Summer Reading Program which is generously sponsored by the Cedarburg Friends of the Library and it's not just the kids that get to have all of the fun. Adults can rock their world here at the Cedarburg Public Library all summer long too! Just stop by the 2nd floor Information Desk to register anytime between Saturday, June 9th and Friday, August 31st. For every adult fiction, non-fiction or YA book you read or listen to throughout the summer, you'll simply fill out a short prize ticket and your name will be entered in weekly drawings. The more you read, the more chances you have to win! You may even be rockin' your world with a new instrument at the end of summer with the grand prize this year of an Aklot Ukulele! There will be lots of exciting programming for adults all summer long including Tuesday "Rockumentary" movie nights, author events and book discussions so stop in to register and rock your summer at the library! For more information, visit our online events calendar or call 262-375-7640.

### Meet Our Newest Staff Member!

Deb Bauer, a long-time resident (almost 20 years!) of Cedarburg, has joined our staff as the new Community and Adult Services Librarian. Deb previously worked at Mead Library in Sheboygan, and in middle and high school libraries. She holds a BA and MA from the University of Illinois. While Deb is an avid runner of marathons and listener of audiobooks, she also likes to travel with her husband and four daughters. Be sure to stop by the 2<sup>nd</sup> floor and say hello!

### Drone Fever - Coding and Piloting

Dedicated as a teaching tool to learn coding, access to the drones will be through three progressive classes. Basic Coding and Controls, Advanced Coding and Challenges, and Drone Free Flying and Immersive VR. Join us starting with the week of June 17<sup>th</sup> in learning to control a drone's flight, pick up objects, and shoot a target all through coding. Thanks to the Friends of the Library Foundation for funding the drones for the library.
